hcpc health & care professions council

Do I need to self-refer to the HCPC?

1. Consider: self-referral

- You have a professional responsibility to tell us about concerns set out in standard 9.5 of the HCPC standards of conduct, performance and ethics as soon as possible.
- Read our online guidance and talk to us

2. Evaluate:

- Is standard 9.5 met?
- Have you sought advice, such as from your professional body?
- Have you checked what information you need to provide us with?

3. Action: make a self-referral online

- Visit **www.hcpc-uk.org**
- Follow our step-by-step process to self-refer
