

Over the summer names of prospective partners were sent to members by e-mail and were approved by a majority of Council members.

1. The attached list sets out the 139 partners that were approved using the virtual sign off process.
2. Details of the role[s] they have been appointed to and the relevant part of the HPC register they belong to [where appropriate] are included.

Council is now asked to note the decision reached by email and to ratify the approval of these appointments in the following terms:

RESOLVED

That the decision to approve the appointments of partners by e-mail be ratified and treated in all respects as if it was a decision made by a meeting of the Council.
