**Helen Davis**  
**John Donaghy**  
**Gill Pearson**

**Guidance for Panel Chairs**

In determining whether to accept a Visitors' report (including the conditions and recommendations in the report), the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision. If the Panel wishes to amend the report, it should give reasons for each amendment.

<b>Decision:</b>
That the Visitors' report (including the conditions and recommendations in the report) should be accepted.
<b>Reasons</b>
The Panel is satisfied that the conditions in the Visitors' report must be met before the programme can be approved or before the ongoing approval of the programme can be confirmed.

**Signed: Neil Willis (Chairman of the Panel)**
