Guidance for Panel Chairs

In determining whether to approve a programme, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HCPC Visitors' report.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision
That the visitors' report should be accepted and the programme should be approved
Reasons
The Panel is satisfied that the visitors have recommended the programme meets the standards for education providers part of the standards for prescribing, and that the programme can therefore be approved.
