Section four: Recommendation of the visitor	2

Section one: Programme details

Name of education provider	University of Sunderland
Programme title	BSc (Hons) Applied Biomedical Science
Mode of delivery	Full time
Relevant part of the HCPC Register	Biomedical scientist
Date of submission to the HCPC	20 May 2013
Name and profession of the HCPC visitor	Mary Macdonald (Biomedical Scientist)
HCPC executive	Abdur Razzaq

Section two: Submission details

Summary of change

SET 3 Programme management and resources

There has been a change of programme leader from Monica Price to Robert Pullen.

The following documents were provided as part of the submission:

- Major change notification form (completed by the HCPC executive)
- Context pack
- Major change SETs mapping document (completed by education provider)
- CV Robert Pullen
- BSc (Hons) Applied BMS HCCLS
- Programme Guide 2013

Section three: Additional documentation

- The visitor agreed that no further documentation was required in order to make a recommendation.
- The visitors agreed that additional documentation was required in order to make a recommendation. The standards of education and training (SETs), for which additional documentation was requested, are listed below with reasons for the request.

Section four: Recommendation of the visitor

To recommend a programme for ongoing approval, the visitors must be assured that the programme meets all of the standards of education and training (SETs) and that those who complete the programme have demonstrated an ability to meet our standards of proficiency (SOPs) for their part of the Register.

The visitor agreed to recommend to the Education and Training Committee that:

- There is sufficient evidence to show the programme continues to meet the standards of education and training and that those who complete the programme will continue to demonstrate an ability to meet the standards of proficiency.
- There is insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed. Therefore, a visit is recommended to gather more evidence and if required place conditions on ongoing approval of the programme.
