

Education and Training Panel

Programme approval

Education provider	University College Birmingham
Programme name	MSc Dietetics (pre-registration)
Mode of study	Full time
Date of decision	31 January 2024

Panel: Kathryn Thirlaway (Chair)
Steven Vaughan

Decision
That the programme is approved. That the Panel supported the visitors' and executive's recommendation for a focused review in February 2025.
Reasons
The Panel approved the programme, agreeing that a focused review would be the most appropriate approach to confirm sufficient capacity of effective practice-based learning after the first year, including appropriate capacity of practice-based learning and an adequate number of appropriately qualified and experienced practice educators to provide support for learners.
