

**REVIEW OF ACTION POINTS**  
**REGISTRATION COMMITTEE**  
**11<sup>th</sup> July 2005 – 7<sup>th</sup> July 2006**

<b>Action point (and location in the minutes)</b>	
1.	The Committee continued to note the progress of the return to practice consultation which had emerged following operational difficulties in handling applicants from private practice, those working abroad and those from rural or remote areas who had difficulty in arranging a period of supervised practice. ( <i>public minutes 5.1 5<sup>th</sup> September 2005</i> ) (The consultation was concluded in September 2005)
2.	The Committee reviewed a draft copy of the registration renewals project plan. This had been developed to assist and co-ordinate operational changes to improve the 2005/06 registration renewal process. Part of this involved the development of electronic pass lists from HEIs. ( <i>public minutes 8.6 5<sup>th</sup> September 2005</i> )
3.	The Committee reviewed the performance appraisal system which had been developed for registration assessors. The system would provide the opportunity for two way feedback and encourage role development. ( <i>public minutes 8.1 28<sup>th</sup> November 2005</i> ) (This was approved by Council at their meeting in March 2006)
4.	The Committee reviewed the analysis of reasons for registrants lapsing. It had transpired that only 4.9% of the registrants that had so far gone through the registration renewal process were lapsed which was noted to represent a significant achievement in itself. This information was to be communicated to all relevant stakeholders once the renewal cycle was completed. ( <i>public minutes 10.5 22<sup>nd</sup> February 2006</i> )
